Comment Information

Document Section [Local Plan to 2030 - Publication Draft](#) [TOPIC POLICIES](#) [SECTION D - THE NATURAL AND BUILT ENVIRONMENT](#) [Biodiversity and Landscape](#) [Green Corridor](#) [Content](#)

Comment ID ALP/379

Respondent Kennington Community Forum (Christopher Morley)

Response Date 27 Jul 2016

Current Status Accepted

Do you consider this part of the document is Sound? Yes

On which grounds do you consider the document unsound? (if applicable)

Do you consider the Document is Legally Compliant? Yes

Comment Kennington Community Forum strongly supports the extension of the Green Corridor, and in particular the inclusion of Bybrook Nature Reserve and Conningbrook Lakes in this scheme

What changes do you suggest to make the document legally compliant or sound?

Do you consider it necessary to participate at the oral part of the examination? No

Does your representation relate to an omission site (a site that has not been included). For example a site for Housing, Employment, Travellers, or Local Green Spaces. No

Please supply details of the omission site.
